

FACTS AND INFORMATION ABOUT THE CITY OF SALISBURY, NORTH CAROLINA

LOCATION

Salisbury, the county seat of Rowan County, is located in the heart of the beautiful Piedmont area, the industrial heart of the State. Salisbury is located midway between Charlotte and Winston-Salem, 280 miles from Atlanta, Georgia and 360 miles from Washington, D.C.

CLIMATE

The climate of the Salisbury area is moderate, a definite advantage to those who live and work here. The massive mountains of Western North Carolina form a natural barrier against the cold east-west winds. While definitely southern in climate, Salisbury is far enough north, and has sufficient altitude to escape the humid summers of many other southern regions. Extremes in climate are very rare and short-lived. In winter the high temperature is about 50 degrees, with a low around 32 degrees. The total snowfall is normally about 6 inches each year. In the summer, the high averages about 87 degrees, with a low of 66 degrees.

POPULATION

The City of Salisbury has been slowly increasing its population over the past few years. This is due to both annexations and internal growth stimulated by the local economy. Population currently is estimated to be 26,631 based upon the NC Office of State Planning.

HISTORY

Scotch-Irish, who originally settled in Lancaster County, Pennsylvania, moved down the "Great Wagon Road" 435 miles to Trading Ford on the Yadkin River to become the first settlers in Rowan County.

The County of Rowan was established in 1753. At this time, Rowan included all territory north to Virginia and east to what we know now as Guilford County and west to the mountains. Eventually, 26 counties were formed from Rowan. Rowan County was named for Matthew Rowan, acting governor for the colony in 1753.

The deed for Salisbury is dated February 11, 1755. The court center, called prior to this time Rowan

Court House, was a bustling little village of seven or eight log cabins, a courthouse, jail and pillory, according to Governor Arthur Dobbs who visited here in late 1755.

The Court House dates to 1753 and consists of deeds, marriages, and miscellaneous records of value. Papers formerly in the Clerk's Office such as the early court minutes are stored at the State Department of Archives in Raleigh. Familiar names in American history adorn these records.

Andrew Jackson, Archibald Henderson, William R. Davis, Daniel Boone, Lord Cornwallis, Richard Caswell and many other prominent local families as the Barkleys, Hoovers, and Polks, all ancestors of presidents or vice-presidents, appear time and again in the deeds and court minutes of the county.

Henderson Law Office

Two years before the national Declaration of Independence and one year before the Mecklenburg Declaration of Independence, a group of patriotic citizens of Rowan County, serving as a Committee of Safety, on August 8, 1774, adopted the Rowan Resolves containing the pioneer element toward liberty and independence from Britain. These resolves reached the highest note of any passed in the colony in calling for the abolishment of the African Slave trade and urging the colonies to "unite in an indissoluble union and association". These resolves are located in the State Archives and are the only ones of the many passed in this period that are preserved.

So many legends and lifestyles have been passed down over the passage of time. Daniel Boone began

his exploration of the Blue Ridge Mountains from here in Salisbury. Near the present-day library is the small office where Andrew Jackson studied law and was admitted to the bar before he moved westward.

For all the struggles and hardships our ancestors endured, they have provided Salisbury with character and a rich heritage.

GOVERNMENT

The City of Salisbury's government is organized according to the Council-Manager form of government. The City Council, which formulates policy for the Administration of the City, together with the Mayor, constitutes the governing body of the City. The five (5) members are elected to serve two (2) year terms of office. The Mayor is elected from the five (5) Council members. The Mayor presides at City Council meetings. Also, a Mayor Pro Tem is elected by City Council members from the five (5) to serve as Mayor during her absence or disability.

The City Council appoints the City Manager to serve as the City's Chief Executive Officer. The City Manager is responsible for implementing the policies of the City Council, directing business and administrative procedures, and appointing departmental officers. At the present time, the City Manager is assisted by the City Clerk and eight staff departments: Finance, Human Resources, Fire, Police, Land Management and Development, Public Services, Parks and Recreation, and Utilities. The City provides a full range of municipal services allowable under State law including law enforcement, fire protection, zoning and code enforcement, recreation centers and parks, cemeteries, street maintenance, sanitation, and water and sewer systems.

The City of Salisbury is a separate legal entity from Rowan County as permitted by the State of North Carolina. The City is independent of county government, but does provide some overlapping services such as police protection and recreational facilities. The county, not the city, is held responsible by State Statutes to provide health and social services and court services.

UTILITIES

Salisbury operates its own water and sewer system. The Yadkin River, which forms the northeast boundary of Rowan County, provides Salisbury with

an abundant supply of good water. The average daily flow is nearly 2 billion gallons per day, and the minimum, recorded one-day flow is 150 million gallons. The Salisbury water system, conventional in design and closely controlled, has a current treatment capacity of 12 million gallons per day (MGD). Average daily usage during 2002 was 6.24 MGD. The City completely renovated the filtration system in 1999 to increase the capacity of the filtration system to 18 MGD. An arterial system of distribution mains has been constructed to provide maximum fire protection to all parts of the city.

Additionally, the Salisbury water system supplies the following towns in Rowan County: Spencer, East Spencer, Granite Quarry, China Grove and Landis. Salisbury operates and maintains the well system for the Town of Rockwell and has completed a transmission main that will extend treated water to Rockwell. Salisbury's water is fluoridated on a continuing basis and meets all Federal and State quality requirements.

Salisbury's four wastewater treatment facilities serve as the area's regional wastewater utility with service expansion to the towns of Landis, China Grove, Spencer, East Spencer, Granite Quarry and Rockwell, as well as providing service along a section of US Highway 70. Total current treatment capacity is 12.5 MGD. Average daily wastewater flow during calendar year 2002 was 6.85 MGD.

Duke Energy, Piedmont Natural Gas, Bellsouth, CTC, and Time Warner Cable, are providers of other utilities.

TRANSPORTATION

Salisbury, near the geographic and population center of North Carolina, is located on Interstate 85, 42 miles from Charlotte, 52 miles from Greensboro and 39 miles from Winston-Salem. It is the crossroads of I-85, U.S. 29, 52, 70, 601 and N.C. 150. Over 3.5 million people live within 90 miles of Salisbury, 1.75 million within 55 miles and 60% of the population of the United States within an overnight truck haul. The seaports of Wilmington, Morehead City, Charleston, and Norfolk are less than a one-day truck haul away.

Rowan County Airport, three (3) miles from downtown Salisbury, has a 5,500 ft. x 100 ft. paved and lighted runway. Hangar space and private plane servicing are available.

Two major commercial airports are within a one-hour drive of Salisbury, Charlotte-Douglas International in Charlotte and Piedmont Triad International (PTI) in Greensboro. With the planned construction of the new FedEx package-sorting facility at PTI, Salisbury is well positioned for providing local businesses a critical link in their logistics chain. Additionally, these airports provide regular air passenger service to all parts of the United States via AirTran, American, Continental, Delta, United and US-Airways. There are also non-stop, international flight options available from these airports to Frankfurt, London and San Juan, among other global destinations.

Greyhound provides bus service to Salisbury with daily arrivals and departures. Local bus service is provided by the City's Transit System.

Amtrak provides rail transportation with service on the Piedmont and Carolinian from New York City to Charlotte, North Carolina. Arrivals and departures are from The Depot, a renovated station of the Salisbury Railroad Station Depot, originally built in 1907.

The Depot

HOTELS

An ideal area for meetings and conventions, Salisbury has fourteen hotels, with almost 1,100 rooms, and two bed and breakfast establishments in our historic district.

EDUCATION

Salisbury is home to two colleges and one technical school. Catawba College was founded in Newton, North Carolina in 1851, and opened in Salisbury in 1925. Catawba College has thirty (30) buildings comprising a physical plant unsurpassed in the East

for a college of this size and style. It has a total enrollment of approximately 1,500 Liberal Arts students and is affiliated with the United Church of Christ.

Livingstone College was founded in 1879, and has approximately 1,000 Liberal Arts students. It is supported by the African Methodist Episcopal Zion Church; Hood Theological Seminary is located at Livingstone.

Rowan-Cabarrus Community College offers two-year educational programs leading to the associated degree in applied science. In addition, one-year diploma programs are offered in five fields. There is a total enrollment of approximately 4,700 full-time students.

There is also one Beauty College in Salisbury. In addition to the public school facilities, there are several private schools.

ARTS AND ENTERTAINMENT

The outstanding programs of Catawba and Livingstone Colleges and the other colleges in the area significantly enrich the cultural atmosphere of the Salisbury area. Each year the Catawba College Shuford School of Performing Art brings a minimum of four musical events to Salisbury. Catawba's fine Drama department offers several professional type drama productions each year. Livingstone College also has a cultural series that brings artists to the community as well as an excellent drama group, The Julia B. Duncan Players.

The Piedmont Players, a community theater organization, provides excellent entertainment as well as a chance to participate in both its acting and technical activities. They have completely restored the historic Meroney Theater, built in 1905, for their home. They present five shows each season. In addition to these five shows, all fourth and fifth graders in the Rowan-Salisbury School System attend the theater for an annual production that the Piedmont Players have cast entirely with children.

The Salisbury-Rowan Symphony, consisting of musicians from the area, presents four concerts each season. In addition to participation in the regular concert series, the string quartet of the Salisbury Symphony visits the elementary schools to present programs. The object of this mini-concert series is to give the students some knowledge of music and historical composers.

Rowan-Cabarrus Community College participates in the North Carolina Visiting Artist Program. Each year a professional artist is employed and in residence at the college. Concerts and musical programs are provided regularly by many artists throughout the state as well as the Visiting Artist. In addition, Rowan-Cabarrus Community College sponsors a Folk Heritage Center. This center serves as a network for professional and local folk artists and presents classes, concerts, and other folk artist activities for the general public.

COMMUNITY FACILITIES

The Salisbury Post serves Salisbury daily. Four (4) radio stations provide for local programming. WBTV has a satellite newsroom located in Salisbury. Local reception provides coverage of all major networks in addition to cable television facilities.

PARKS AND RECREATION

A full-time year-round recreation staff offers activities for both young and old. In addition to organized activities, the City provides several parks and recreation facilities for general use by the public.

Ball Field at the Community Park

City Park has a large playground, (6) tennis courts, a five (5) acre lake for fishing, (2) picnic shelters and a Recreation Center that offers programs/classes throughout the year. Salisbury has a Civic Center with (4) indoor racquetball courts, large multi-purpose room, (4) clay tennis courts and a paved walking trail.

Kelsey-Scott Park, located on Old Wilkesboro Road is a twenty-two (22) acre park, which includes a 9-hole disc golf course, a baseball/softball field,

outdoor basketball court, and picnic shelter. The Jaycee Sports Complex is a multi-use area with three (3) ball fields and an outdoor basketball court. The Miller Recreation Center located on West Bank Street has a play structure and offers programs throughout the year.

The Salisbury Community Park and Athletic Complex on Hurley School Road opened in April 2001 and the current amenities include four soccer fields, five baseball/softball fields, two picnic shelters, two playstructures, with a nine- acre lake scheduled to open for fishing in June of 2003 and a handicap accessible fishing pier.

City Park

Parks & Recreation Summer Camp

SPECIAL EVENTS

Each year, the Salisbury-Rowan Chamber of Commerce presents the National Sportscasters and Sportswriters Awards Program with outstanding guests from across America in attendance.

¹Estimated

Note: The levy of property taxes each year is based on the assessed value of taxable property as of January 1 preceding the beginning of the fiscal year on July 1. All taxable property is assessed at one hundred percent (100%) of its estimated value at time of revaluation. Revaluation of real property, required at least every eight years, was completed for the levy of taxes in the year ended June 30, 2000 and will be revalued again for the FY2004 assessment. The assessment of taxable property being assessed after revaluation is accomplished in accordance with North Carolina G.S. 105.287.

TOTAL ALL FUNDS	509.0	483.0	500.0	494.5	493.5

For the FY2003-04 Recommended Budget, the total number of positions for the City has a net increase of 11.5 positions over the previous fiscal year. The General Fund has a net increase of 3.5 positions: addition of one Public Information Officer, one Web Designer, one Equipment Operator in Public Services-Streets for annexation, Office Assistant for Fire Department beginning January 1, 2004 (considered .5 FTE), three summer positions in Public Services-Cemetery were combined into two positions for a longer time period and the Minimum Housing Specialist which had been funded by HUD for FY2003 will be transferred back to the Fire Department. In the Water and Sewer Fund, nine positions were added: one GIS Technician, one GIS Mapping Technician, one Utilities Project Manager, three employees for a new I&I (Inflow and Infiltration) crew, one

temporary part-time Waste Water Treatment Plant Operator, and two summer employees for hydrant maintenance. The Transit Fund has no changes. As mentioned previously, the funding of the Minimum Housing Specialist in the Special Revenue Funds will be transferred back to the General Fund.

As mentioned in the Addendum to the Budget Message, the position for the Public Information Officer as recommended by the City Manager was not approved BY City Council. All other positions were approved.

General and HUD Funds Full-Time Employees per 1000 Population

As mentioned in Section 1 under Trend Monitoring, the City monitors various trends. The above graph represents the number of full-time General and HUD Funds employees per 1,000 population. In FY1992-93 (FY93), City Council opted for a 20 position reduction-in-force as an element to balance the budget. Again, in FY2003 (FY03), City Council is using a 33 position reduction-in-force/hiring freeze to counteract the effects of the Governor's actions and the stagnant economy.
